PREPARING FOR YOUR IRUKANDJI EXCURSION

LEADERS IN MARINE EDUCATION, CONSERVATION & FUN

This unique experience is un-matched by any other location in the country. Students interact with marine life by joining them in their world, petting, feeding and learning, all

under the ever-watchful eyes of our experienced guides. Education at Irukandji is delivered with a fun, hands on approach that creates a personal, memorable, affordable experience for children and their teachers.

Student groups benefit from a range of exciting and challenging experiences designed to extend from classroom learning into a much better understanding of the natural marine world. Please refer to the Learn section of our website <http://www.sharkencounters.com.au/learn.html> for age based lesson plans, excursion fact sheets and Risk assessments. Apart from our set curriculum/age based tours we can also tailor any tour to successfully meet other key learning objectives.

IRUKANDJI SCHOOL EXCURSION RATES: \$15 per Child (Shark Encounters included).
